Dear Peter

I am writing to you on behalf of all of Quicksilver, Mike Burgess and myself to thank you for all your assistance and interest over our latest vessel delivery voyage and work up period. You have been an absolute pleasure to work with, and your efforts were very much appreciated. It has been a project that has taught me a lot and been enjoyable on the way. It is our belief that your assistance, professionalism and attention to detail made sure that the delivery voyage was safe and trouble free. The vessel is now operating in a very intense and competitive industry, and there is no doubt that it is at the top of its league. You have defiantly won the respect of everybody in our company that you have come into contact with. Quicksilver and myself are very happy to call you a friend and I can only hope that we may continue the friendship into the future. If you ever make it into our region please look us up, we would love to show you what we do. I am looking forward to hearing from you in the future.

Yours sincerely
